

# FOCUS ON COMM

Since 2015. No Expiration Date

It's **Perfectly OK** Not To Know Something!  
What's **Not OK**, is to pretend we know something  
when we really don't & make a costly mistake.  
Let's not allow our **Pride** got the best of us.  
When In Doubt, **ASK**. This Is Just One Way  
We Will Help Each Other!

Bringing you clarity  
in this dysfunctional industry
